

شركة واحدة الالوان للصناعة  
**WAHAELALOAN**  
INDUSTRIAL COMPANY

PIONEERING EXCELLENCE IN EVERY INDUSTRIAL SOLUTION

# Why Choose Us

**Waha Elaloan Industrial Company**, headquartered in Alkhobar with a robust presence in Riyadh, Jeddah, Jubail, Yanbu, Neom, and Jazan, excels with 2,500 top-notch experts and 500 machines. We deliver exceptional industrial services to over 100 clients, driven by our commitment to quality, safety, and timely, market-driven solutions. Our blend of expertise and cutting-edge resources ensures we remain a trusted leader in the industry. With a strong commitment to quality and safety, Waha Elaloan continues to be a trusted partner in the industrial sector, remitting excellence through our proficient team and state-of-the-art resources.

# Our Guiding **Vision**

Our commitment to safety guarantees timely, successful project completion and reinforces our status as a trusted industry leader. We aim to be the premier provider of industrial services in Saudi Arabia, recognized for excellence, innovation, and sustainability. Our goal is to drive growth and deliver exceptional value through unwavering dedication to quality, integrity, and continuous improvement.

# Our Commitment

To deliver high-quality industrial services with a focus on safety, efficiency, and client satisfaction. We aim to provide reliable manpower, advanced equipment, and innovative solutions that meet the evolving needs of our clients. Through our commitment to excellence and integrity, we strive to foster long-term partnerships and contribute to the sustainable development of the industrial sector in Saudi Arabia and beyond.

*To deliver  
high-quality  
industrial services  
with a focus on  
safety, efficiency,  
and client  
satisfaction.*

# Client First Approach

Our commitment to excellence, innovation, and safety drives us to continuously improve and expand our capabilities, ensuring that we remain a trusted partner in the industrial sector. We are committed to achieving zero harm by striving for no incidents or injuries in our operations, adhering to all local and international safety regulations, providing ongoing safety training and education for our workforce, utilizing state-of-the-art safety equipment and personal protective gear, and fostering a safety-first culture where everyone is responsible for their own safety and that of others.
